**Subject:** Photos of Numerous Parked Homeless RVs, Trailers, Trucks, and Cars Parked for Weeks on Glenoaks Blvd.

CD7 Councilwoman Monica Monica Rodriguez,  
Attached are photos taken this week, showing the encampment of the “numerous” homeless RVs, trailers, trucks, and cars that have been allowed to park for weeks and weeks at a time, especially along the blocks of 10500, 10400, 10300, 10200, and 10100 blocks of Glenoaks Blvd. in our neighborhood. On the other sides (hidden from clear view) of the vehicles along the sidewalks, there are piles and piles of loose trash, furniture, clothing, food containers, filled jars/containers, furniture, filled boxes, grocery carts, etc. These are very unhealthy and unsafe conditions on our streets, which are ignored by your office.

As our councilwoman, what is your plans to rid our neighborhood of these conditions?

Would look forward to a prompt response.
